**Subject: Draft Study Protocol in Support of DDVP Risk Assessment:
DDVP 7-Day Oral Toxicity Study in the Rat (Ref. No. KRxxxx)**

Dear Kimberly:

Enclosed please find the subject DRAFT protocol submitted for your review prior to study initiation. This study is being proposed to refine the no effect level for DDVP in the rat, in support of the ongoing risk assessment process. Please provide an evaluation of the protocol as soon as possible so that study scheduling can be finalized.

If you have technical questions regarding the protocol, please contact Ann Manley, Amvac toxicologist, at 323-526-2384. I can be reached at 949-260-1212, or 323-526-2388 (voicemail), or email jonwood@earthlink.net. Thank you for your attention to this matter.

Regards,
